We will test all links and PDFs and will contact you if there are problems with the files.

FAQs:

My exhibit is round. How should I photograph it? If your exhibit is an unusual shape (square, rotating, etc.) then take photos of it from different angles.

My exhibit is locked up at school and I can’t get to it. What should I do? Let us know of your difficulty. If you have a photo from the regional contest you can include that. Do send your paperwork by the deadline. If you are able to get into your school, you can send the photos later.

I don’t have a fancy video recorder. What should I do? It’s fine to use a cell phone. Just do the best you can with the resources you have.

My costumes and props are locked up at school and I can’t get to them. What should I do? Go ahead and record your Performance without your costumes and props. Let us know of your difficulty and we will inform the judges. You will not be penalized for something that is not your fault. If you have a photograph of your Performance or of you in your costumes, you can email that to rfay@dehistory.org and we will forward it to the judges. Make sure you tell us in the email the title of your entry, your division/category, and your name(s).

I am having trouble combining my files into a pdf. What should I do? Please contact us. We may be able to help you combine your files.
